Munchkin News

We love the song/book Baby Beluga so much, we are now doing a project about belugas. We are exploring every area of curriculum through the beluga whale. We are sharing our love with everyone at Headstart, and they are all singing the song. Rachel, a first year Early Childhood student from Holland College has joined our group until the end of April. She's quickly learning the words and is also designing activities to go with our project. Drop by and see the beluga lovers in Munchkinland.

Bookworm News

It is hard to believe we are almost into April! The Bookworms are continuing to work on self help skills as well as using great manners and pro-social skills. We have been trying to get outside as much as possible and are hoping the ice is finally clearing from our yard. It is still very chilly in the morning. That being said, we would really like you to continue sending winter jackets/snow pants/boots/hats and mittens.

Great Explorer News

Well Spring is here! We are all so excited to be outside so much these days. We would love the children to please bring in their water bottles and to have lots of extra clothing as the ground can still be very wet and muddy.

Well the Butterflies Lego World has come to an end. We are now in the up front area for our morning group time and the Chicken Wraps are in the middle area. The Chicken Wraps will be continuing with their Hockey Project.

The Butterflies are expressing an interest in using a cash register and some friends are talking about going out to eat lately so we are going to set up a pizza parlour. Up front under loft area is going to become our butterfly and bug world. So if you anything we could use in our new areas we would love to hear from you just talk to Glenda or Sasha. Happy Spring from the Great Explorers
