

Parkdale Sherwood Headstart

Monthly Newsletter

Family Fun Night was a huge success. Thank you to everyone who participated, donated, and volunteered their time, we couldn't have done it without you.

Beluga News

It's hard to believe it's June already. With the end of May we said goodbye to one child as he moved on to the Little Ducklings and welcomed our newest member. With the nicer weather, we are planning to explore more outdoors and have some fun in our mud kitchen, so be prepared for some dirty clothing.

Sharon

The Little Ducklings News

The Little Ducklings are having so much fun welcoming spring! We are all about the outdoors! Every day at circle time the children ask if we are going outside. After snack we get ready to go where the children are able to use their self-help skills to dress and undress by themselves! The Little Ducklings will also be having picnics outside at snack times; they seem to eat more food if we are outside! This month we will be welcoming Krista back post-surgery, we missed her but have loved having Jalisa with us.

Jessie, Jalisa & Krista

The Pigeons

Wow! It's hard to believe it is June already. What an awesome year the Pigeons have had. The children are all so excited to be moving up to big school. Maggie & I would love to thank all the parents for helping to make this such a great year for everyone by sharing their talents and helping to make so many field trips such a great success.

As our year is coming to a close and graduation day is just around the corner so the Pigeons will be spending the next few weeks getting ready. We hope to see everyone at noon on Friday, June 14. We will also be having an end of the year field trip sometime later in June, more information to follow.

THANKS FOR EVERYTHING AND HAVE A GREAT SUMMER

Maggie & Glenda

The Little Wonders

The Little Wonders are excited that the weather is starting to get warmer. We will be going outside more often, and getting out on some walks around the neighborhood. We are planning on a field trip near the end of June, more details to come!

Christina & Brenda

Children's Needs

Just a reminder that it is best if your child can dress in layers for outdoor play. Who knows what temperature it might be on any given day! It is a great idea to have a wind jacket, a sweater, splash pants and rubber boots, sneakers, and a sun hat. Our back yard can be quite wet and we do try to go out every day. **Please do not send flip flops for your child, they are great for the beach but not great for walking and playing.** We would like if you could PLEASE label your child's belongings as well. Please make sure your child has at least 2 complete spare changes of clothing in their back pack or bag.

*Sun hats are also a necessity this time of year. We do not keep extra hats here.

Closing Field Day and BBQ

Our Annual closing celebration will be Friday June 21st.

We will start with a field day in the park behind the church and in our playground at 10:00. All of the children who have attended Headstart this year are invited. Games and activities will take place.

At 12:00 we will have a barbeque and all of the families are invited. We realize that many people work and will only be able to attend on their lunch break. We will be looking for volunteers to help with the preparations for the day. See you there! Thanks!

SAFETY CONCERN:

Please be mindful that siblings are not allowed to come to the playground or gym area unaccompanied by an adult. When this does happen it raises the risk of children getting hurt and the gate being left open. We also do not allow children to stand on the fence to open the gate. This needs to be done by a parent or educator.

Thank you for your cooperation on this matter
